

Wrap Up *Wireless*

for the **Holidays** with Bluesocket®!

Wrap Up *Wireless* for the Holidays with Bluesocket®!

Shopping for improved wireless LAN security and reliability this holiday season? Look no further than Bluesocket® for complete and reliable *packaged* solutions that are easy to install, easy to manage, and can deliver a strong return on investment (ROI) long after the turkey and wrapping paper have disappeared!

As a smart and security-savvy Bluesocket customer, you probably already know that **Bluesocket delivers a complete WLAN solution suite with cutting-edge packaged WLAN solutions** that are **easy to install, easy to manage, and deliver a strong return on investment (ROI)**. These WLAN solutions start with Bluesocket's **enterprise-class BlueSecure™ Controllers**, which can handle from 50 to more than 1,000 concurrent users, and continue with **compatibility-guaranteed zero-configuration access points** that can adapt to changing situations and RF environments using the Bluesocket Discovery Protocol.

You won't be left out in the cold when you add **Bluesocket's comprehensive intrusion protection and management systems to the wireless mix**, which provide uncompromising security and authentication tools and user management technologies. Just the warm and fuzzy feeling needed for a wireless winter!

What you may not know about, however, are the incredible **Ready-Made-Office** and **Special Bonus Bundles** that are available from the Bluesocket as part of its *Wrap Up Wireless for the Holidays* promotion, **going on now through December 30, 2005!** As part of this promotion, Bluesocket has wrapped up **three Ready-Made-Office Bundles** that provide a way to stuff your IT holiday stocking with a complete WLAN Solution Suite.

Remember!

Now has never been a better time to *Wrap Up Wireless for the Holidays* with Bluesocket!

Hurry! These Offers Expire December 30, 2005.

There are **Three Easy Ways** to *Wrap Up Wireless for the Holidays* with Bluesocket's Complete WLAN Solution Suite:
